

Fundraising Event for Haitian Relief – Petite Provincial 2

On Saturday, January 23rd, the Petite Provincial 2 team collected bottles and cans as part of a fundraising event. We raised \$280.00 for the Haitian Earthquake Relief efforts being carried out by the Canadian Red Cross.

We'd like to thank the community of Nepean for its support; it is very much appreciated. We received donations of bottles from the following restaurants in the Barrhaven area: Johnny Canucks, Broadways, Greenfields, Boston Pizza, The Barley Mow and Pho Thi Fusion. We also want to thank Staples for providing free photocopying, and the staff at the Beer Store for accepting all our bottles.

The government of Canada will match our donation, as we are an organization who has done a special fundraiser for Haiti Earthquake relief between January 12 and February 12, 2010. We are glad that our efforts and this money will help the people in Haiti who are so desperate for food, clean water, medical attention and shelter.
